负荷 卫浴水量 供暖水压 1.2 bar

The control panel features a large digital display showing '60 °C'. Above the display are icons for Wi-Fi, a house, and a leaf. Below the display are three buttons labeled '复位' (Reset), '升温' (Heat Up), and '降温' (Cool Down). To the right, there are three indicators: '负荷' (Load) with a dashed line graph, '卫浴水量' (Bathroom Water Volume) with a bar graph, and '供暖水压' (Heating Water Pressure) with a value of '1.2 bar'. At the bottom right, there are three buttons labeled '设置' (Settings), '冬/夏' (Winter/Summer), and '功能' (Function). A power button is located at the bottom center.
