复位 升温 降温

设置 冬/夏 功能

The control panel features a digital display showing '60 °C' and a clock showing '18:16'. It includes several function icons: a snowflake/sun icon for '零冷水' (Zero Cold Water), a house icon for '复位' (Reset), a plus sign for '升温' (Heat Up), a minus sign for '降温' (Cool Down), a power button, and a grid icon for '功能' (Function). On the right side, there are indicators for '负荷' (Load), '卫浴水量' (Bathroom Water Volume), 'SCR', and '供水水压' (Supply Water Pressure) showing '1.2 bar'. A '设置' (Settings) icon and a '冬/夏' (Winter/Summer) mode selector are also present.

Manwe(曼威奇)

The control panel features several digital displays and icons:

- Top left: A large digital display showing '42' with a temperature symbol (°C) to its right. Above it are icons for Wi-Fi, a fan, and a leaf.
- Top center: A circular clock display with numbers 3, 6, 9, 12, 15, 18, 21. It includes labels '时钟设定' (Clock Setting) and '预约时间' (Appointment Time).
- Top right: A display showing '88L' for '卫浴水量' (Bathroom Water Volume) and '88.8 bar' for '供暖水压' (Heating Water Pressure). Above these are icons for a valve, a snowflake, and a warning symbol. A '负荷' (Load) indicator is also present.
- Bottom left: A row of icons for '零冷水' (Zero Cold Water), '复位' (Reset), '升温' (Heat Up), and '降温' (Cool Down).
- Bottom center: A power button icon.
- Bottom right: A row of icons for '设置' (Settings), '冬/夏' (Winter/Summer), '功能' (Function), and a clock icon.

At the bottom, a series of icons are connected by lines: a snowflake/sun icon, a plus sign (+), a power button icon, a minus sign (-), a grid icon, and a clock icon.
